Lent Learning 2019
All Welcome!

Life in the Church is changing rapidly. Life in our Parishes is changing just as quickly. As Christians, we look to scripture to guide us on our journey, as together we seek to walk faithfully with God. How is God calling us to be? What is God calling us to do? This 5-week bible study looks at 5 passages from the Gospels, searching them for their call to us. Each week, we will reflect on one of the **5 Marks of Mission** alongside the Gospel passage, and ask ourselves how we are called to live out those marks in our community and our world.

This study will help us consider our own gifts for ministry, with which God has abundantly blessed us in this Parish.
